

Friends of St Bridget's Newsletter Autumn '16

Dear Parents,

After the success of the 100 club the last academic year we have decided to do it all again! This year will be slightly different however, and will now run Jan – Dec. This will allow everyone plenty of time to get their applications and payment in before the first draw at the end of January. A form will be coming home soon with all the details, but the cost will remain the same at £12 for a full 12 months membership / 12 monthly draws. This works out at £1 per month per ticket. You can of course have as many tickets as you like and the 100 club is not limited to family, anyone is very welcome to join, the more members the bigger prize pot each month! As always the total fees collected are split 50/50, half to the prize fund and half towards our fund raising efforts.

For 2017 the Friends of St Bridget's have decided to fundraise towards some built in play equipment for the Infants yard. Obviously this type of play equipment is very expensive so we hope everyone helps out where they can!

Alongside the 100 club we are continuing to run our very popular afterschool discos. We do however need help from parents to help supervise them; we cannot rely on staff to supervise after their working day. This is where you all come in! Any help will be much appreciated. We are running our next one in November to coincide with anti-bullying week.

We may also be running another bingo night, following on from the last which was extremely popular and raised a lot of money. This will probably be in March '17 and there is a lot of preparation and organisation involved. We will keep you posted with updates.

As always we welcome new members, we have lots of ideas but limited 'manpower' so it would be great to see some new faces at the next meeting. Details will be sent on the weekly school newsletter.

Helen Young
Secretary / Treasurer Friends of St Bridget's.
